

Douglas Bagnall

- Artist and programmer
- Currently working for FLOSS Manuals
- douglas@halo.gen.nz <http://halo.gen.nz>
- dbagnall on IRC
- I live 2.5 km south of here

Relevant projects

- 2004 Filmmaking Robot.
- 2006 Mimetic Television
- 2007 Te Tuhi Video Game Machine
- 2010 Untitled *[self generating video, due June]*
- Mostly machines that learn to generate video
- For the art world.

Recent activity

- None
- Well, procrastination, child care, fiddly paid tasks
- Toying with video ideas

Challenges

- I am mostly here to learn what is going on and see where I can help
- I suspect could make better use of existing code (e.g. for motion vectors)
- I am interested in finding new approaches to video analysis and processing
