

Who am I?

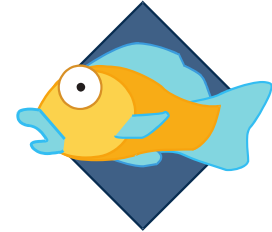

Cristian Adam <cristian.adam@xiph.org>
'drac667' on IRC

What are my projects?

- Windows hacker at Xiph.org
 - DirectShow Codecs
 - ActiveX <video> and <audio> tag support for Microsoft Internet Explorer
- I'm here to meet Xiph.org hackers and the community

Direct Show Codecs: Activities

- Windows Mobile support
- Updated Theora MSVC inline assembly optimisations

DirectShow Codecs: Challenges

- Better streaming support
- Kate subtitles support
- Theora DSP support on Windows Mobile
- Transcoding tools (i.e. dshow2theora)
- Windows Shell integration and meta data support in Windows Media Player

<video> tag in IE: Challenges

- Version 1.0 using DirectShow codecs ASAP.
