Who am I?

- Jan Schmidt

- Sun Microsystems (Oracle?) employee

- Recently of Dublin, Ireland

- Now back in Australia, of no fixed address

What are my projects?

- I am a core developer of and the release manager for Gstreamer.

- Among other things, GStreamer/Totem DVD support.

- I also work on Sun Ray thin client multimedia

GStreamer: Activities

- Um, lots.

- Format support

- Pulseaudio integration

- DVD

- RTP/RTSP

- Dirac support

- Better Ogg support

GStreamer: Challenges

- How to prepare and release the next major release series (GStreamer 1.0) with minimal disruption
